I hereby authorize the official designated by Mountville Borough to investigate, inspect, and examine the Property set forth herein, including land and structures, to determine compliance with the Mountville Borough Zoning Ordinance and PA Act 45 (Uniform Construction Code) and to determine the accuracy of the statements contained herein.

I am aware that I cannot occupy the Property for the purpose of conducting the use set forth herein and cannot commence excavation or construction until a Zoning and or Building Permit has been issued by the Borough of Mountville. I am aware that I cannot change the use of the Property herein until I have applied for and receive a Zoning Permit and/or Building Permit for such proposed use. By signing this Application, I certify that all facts in the Application and all accompanying documentation are true and correct. This Application is being made by me to induce official action on the part of Mountville Borough, and I understand that any false statements made herein are being made subject to the penalties of 18 Pa. C.S. §4904 relating to unsworn falsification to authorities.

The issuance of a Zoning Permit and/or Building Permit is based upon the facts stated and representations made in this Application. A Zoning Permit and or Building Permit may be revoked if the use and/or structure, for which it has been issued, violates any applicable Borough, County, State, or Federal law or regulation, including but not limited to the Mountville Borough Zoning Ordinance and PA Act 45 (Uniform Construction Code). This Permit may also be revoked if it has been issued in error or if issuance was based upon any misrepresentations or errors contained in the Application or otherwise made by the Applicant.

The Permit holder is advised that persons aggrieved by a use or development permitted on the land of another may file an appeal with the Mountville Borough Zoning Hearing Board seeking revocation of any Zoning Permits issued or approvals granted within thirty (30) days from the issuance of such Zoning Permit, or at a later date if such aggrieved person alleges and proves that he had no notice, knowledge or reason to believe that such approval had been given.

Notice is hereby given that if the property described in this Permit Application will require access to a highway under the jurisdiction of the Pennsylvania Department of Transportation, a Highway Occupancy Permit is required pursuant to Section 420 of the Act of June 1, 1945, P.L. 1242, No. 428, known as the State Highway Law, before driveway access to a State highway is permitted. Access to a State highway shall be only as authorized by the Highway Occupancy Permit issued by the Pennsylvania Department of Transportation.

Mountville Borough, all of its elected and appointed officials, agents, and employees do not guarantee or give opinions relating to the proposed construction under the Permit and do not warrant compliance with applicable laws or regulations by the issuance of a Zoning Permit and/or Building Permit. The Applicant bears all responsibility for ensuring compliance with all applicable laws and regulations, including but not limited to compliance with the Mountville Borough Zoning Ordinance, the Mountville Borough Subdivision and Land Development Ordinance, Act 222, the Energy Conservation Act, and PA Act 45 (Uniform Construction Code). Applicant acknowledges that he has not relied upon any oral or written statements of officials of Mountville Borough in making this application.

I acknowledge that the holder of a Zoning Permit and/or Building Permit is responsible to ensure compliance with all applicable Borough Ordinances during and at completion of the work authorized by the Permit. I acknowledge that the Borough requires that a final inspection be performed by the Zoning Officer and/or appointed building codes official and that the Zoning Officer and/or appointed building codes official issue a Zoning Certificate of Use and Occupancy and/or a Building Permit Certificate of Occupancy before the structure which is authorized by this Permit may be occupied. It is my responsibility to ensure that these inspections are scheduled and the Zoning Certificate of Use and Occupancy and/or a Building Permit Certificate of Occupancy be obtained before the structure may be occupied. I acknowledge that if I occupy or permit the occupancy of this structure prior to the issuance of a Zoning Certificate of Use and Occupancy and/or a Building Permit Certificate of Occupancy, I will have committed a violation of the Mountville Borough Zoning Ordinance and/or PA Act 45 (Uniform Construction Code) and will be subject to the penalties and remedies in the Zoning Ordinance and the Code. I also acknowledge that, if the structure is occupied prior to the final inspection, work may have to be removed and re-executed in order that it may be adequately inspected. If the Borough is required to perform an inspection after the structure is occupied, intending to be legally bound hereby, I agree to pay the fee established by the Borough for delinquent inspections.

Nothing contained in this Application shall be construed to relieve or limit the obligations of Applicant to comply with all provisions of the Mountville Borough Zoning Ordinance and/or PA Act 45 (Uniform Construction Code) or to waive violations of the Zoning Ordinance or PA Act 45 (Uniform Construction Code) or any other Borough ordinances or to estop the Borough from enforcing Borough ordinances, including but not limited to the Zoning Ordinance and or PA Act 45 (Uniform Construction Code).
