S. Meckley reported that two zoning permits, two building permits and two occupancy permits were issued in November. The property at 2 East Main Street with the three inoperable vehicles has not taken action at this time to remove those vehicles. The tentative date to take official action of violation is December 17, 2018.

L. Heisey then asked about the recommended procedure from this point forward. S. Meckley suggested implementing two of the recommendations made by the county. H. Morgan moved to have Rettew provide the new language to Council for consideration, J. Hersh seconded the motion. Council was in accord and the motion carried.

L. Heisey reported that a committee of four (J. Hersh, R. Spiegel, Mayor Kresge and he) met with the owners of Field of Screams to discuss a zoning overlay for their property which may help lessen the business’s future impact on Borough residents.

Andrew Palmisano was in attendance to request a modification waiving the land development plan for his property at 22 N. Manor Street. Mr. Palmisano made his modification request to the Mountville Planning Commission and the Planning Commission recommends conditional approval. J. There was also discussion regarding the inclusion of the park at Lake Grubb in this arrangement. More details and discussion will be needed prior to any decisions being reached regarding the park at the Lake, but that option could be an asset to the Borough.

Miscellaneous

On behalf of the Mountville Community Services Foundation, H. Morgan requested that Council consider donating \$2,000.00 toward the cost of the 2019 Fireworks display. M. Trimble moved to make a contribution of \$2,000.00, C. Eshleman seconded the motion. Council was in accord and the motion carried. H. Morgan and L. Heisey recused themselves from the vote.
