Chief D. Gantz reviewed the August Fire Company report which included 17 calls bringing the total calls year to date to 218. As of September 1, 2019 the fund drive total was \$31,047. P. Kresge stated that public awareness of the fund drive in progress needs to be increased.

#### General Government

Chair M. Trimble asked that Council give some consideration to employee wages and other details particular to their chairs in preparation of the 2020 budget. R.
