# 2024 West Hempfield Township Woody Waste Agreement

I have received and reviewed the rules for the Woody Waste collection site.

I understand there is a \$30.00 per year use fee (subject to change in future years). Only one access card will be issued per household.

I understand the collection site is continuously monitored by surveillance cameras. You may, at times, be asked to provide identification. I understand that failure to follow the above listed rules may result in the deactivation of my access card. Violations of law may result in prosecution.

**Access cards are NOT to be discarded at the end of the year.** They will be used for future years. Loss or discarding of a card will result in a \$20 replacement fee, in addition to the \$30/year use fee.

Renewal invoices for will be mailed to you annually, to maintain access. The card is valid from date of purchase to December 31 of the calendar year. One access card may be purchased per household.
